Ahoy divers and intrepid explorers! Welcome to Worldwide Dive and Sail's second news flash of 2006! It has been a sensational year for our company here in Thailand as we have new crew, a new boat, and special new discounts for all our customers!

WORLDWIDE DIVE AND SAIL'S FRESH LOOK

Worldwide Dive and Sail is sailing into the 21st century with our new slick and modern image. Along with our fresh logo, our new website at www.worldwidediveandsail.com is more user-friendly with more information and interactive features than our previous site.

As our company has been growing rapidly, we decided a new website was appropriate to feature new information of our diving expeditions and most importantly, the construction progress of our new luxury yacht, the [Sampai Jumpa Lagi](#)! The website also features a fully automated booking system with credit card payments via Thailand's largest and safest online payment merchant [Thai Epay](#).

The website will soon be available in 8 other languages, featuring Dutch, German, French, Swedish, Russian, Czech, Chinese and Japanese! Worldwide Dive and Sail is truly going global!

OUR LUXURY YACHT – THE SAMPAI JUMPA LAGI!

The construction of the [Sampai Jumpa Lagi](#) is sailing smoothly and she already looks exceptional. This 34 metre beauty will hold up to 20 guests in style with each cabin spoilt with individually controlled air-con, a personal computer, an audio-visual entertainment system and a private ensuite bathroom with hot showers! Plus, she will sport an expansive leisure deck area, a spacious saloon with a flat screen TV and cocktail bar, and the Lagi will carry all the equipment for wakeboarding and waterskiing including a spanking new high powered speed boat! She will be perfect for those looking for that extra luxury, extravagance and comfort!

The Sampai Jumpa Lagi commences trips in October 2007. And we have a sensational offer for all customers! **From October until the end of the year we are offering all customers a huge 25% off the expedition rate!!**

This is a special discount for the maiden season of our wooden beauty, the Sampai Jumpa Lagi, as she ventures into the Andaman Sea on her [Best of Thailand](#) expeditions for 10 days and 9 nights. Don't wait until we are all booked out! For enquiries please contact info@worldwidediveandsail.com.

WORLDWIDE PADI DIVE SCHOOL

We now teach day dive courses in and around the island of Phuket at very reasonable rates. For more information for you and your friends, please contact us at info@worldwidediveandsail.com.

WORLDWIDE DIVE EXPEDITIONS!!!

Round Trip Sept – Oct 2006:

The 3 week Round Trip from Koh Tao in the Gulf of Thailand to Phuket on the west coast was the ultimate in adventurous diving, slothful sun-baking and downright Dutch debauchery!

We explored a huge variety of dive sites including the secluded stunning sites of Koh Kra and Koh Losin in the southern Gulf of Thailand, where we dived with Humphead Parrotfish and a huge diversity of Butterfly and Angelfish among large coral bommies and plateaus. We played at the world famous Perhentian Islands with the cute clownfish and cheeky triggers, we sunk down to the depths of the Kuantan Wreck, cruised Koh Lipe, and hunted giant nurse sharks, lazy leopard sharks, and rare guitarsharks. We plunged into the crystalline waters of Pulau Paya & Langkawi with giant puffers, baby yellow boxfish and lush coral gardens, and delved into the mysterious depths of Hin Daeng & Hin Muang.

And of course, we partied Singapore, fought off pirates in the Straits of Malacca and almost caused a riot at the Soho Bar in Penang!

It was an excellent success and a great laugh! We all look forward to the [Round Trip](#) in May-June next year from Phuket to Koh Tao.

Andaman Islands Expeditions Mar – Apr 2006:

We have limited space available and special deals on our intrepid trips to the [Andaman Islands](#). These unique journeys with Worldwide Dive and Sail have become famous for the large pelagics patrolling the waters including the graceful Manta's, schools of hammerheads and Grey, Whitetip, Nurse, and Leopard sharks, with Silvertip and Oceanic sometimes glimpsed as well.

For more information about our special offers for the Andaman's and booking enquiries please contact info@worldwidediveandsail.com.
